The American people depend on county services that build **HEALTHY, SAFE, VIBRANT** and **RESILIENT COMMUNITIES**

Transportation is often a core county function. Counties:
- Invest $106.3 billion in public facilities and infrastructure each year
- Own more than 230,000 bridges
- Own 45% of America’s roads
- Are involved in nearly one-third of U.S. airports and transit systems

**NACo’s Rally on Transportation Reauthorization**

Tuesday, March 4 • 3:30 p.m. • U.S. Capitol Visitor Center
