Next Generation NACo Community Service Project

Next Generation NACo is planning a service project as part of the 2015 NACo Annual Conference & Exposition.
This year’s service project is for the Safe Alliance Domestic Violence Shelter. Their Mission is to provide hope and healing for people in crisis through a variety of programs and services:

- Safe Alliance assists over 20,000 people annually throughout their geographic footprint that includes offices in Cabarrus County, Charlotte, Lake Norman and Union County. They also reach thousands more through our educational and prevention programs as well as institutional advocacy efforts.
- Safe Alliance is a United Way of the Central Carolinas member agency.
- The Charlotte Domestic Violence/Safe Alliance shelter has 80 beds and is located on a 5-acre site in Charlotte and their 40,000 square foot facility has state-of-the art security.
- With an increase in capacity, Safe Alliance can now offer longer stays for their clients. The shelter space includes: 10 emergency units and 19 apartment – style units, counseling rooms, conference rooms, kitchen/dining room, children’s spaces, donation room, health clinic, laundry and job training center.
- In addition to emergency and transitional accommodations, Safe Alliance offers safety planning, trauma counseling, support groups, case management, child care, legal advocacy and representation, help with addiction issues, life skills training, health care and career planning services.

NACo volunteers will perform various cleaning tasks at the domestic violence shelter building such as sweeping dormitories, cleaning bathrooms, changing trash, sweeping and mopping cafeteria and other duties.

The fee to participate is $25 — and the maximum number of volunteers is 25. Please sign up early and spend time with your colleagues while giving back to the community of Charlotte. Registration is open to all NACo attendees.
*Transportation will be provided from the Charlotte Convention Center to the shelter.*

Advance Leadership Training: Building Effective Working Relationships
Effective relationships are essential to the success of local elected officials. Imagine how much more effective your relationships would be if you really understood how other people see things…and could put this awareness into practice. It would be like having an instruction manual for relating with your colleagues! NACo has developed a leadership program with this in mind, just for you!

Are you looking to improve teamwork, develop leaders, support change management, improve relationships and resolve conflicts? Then you should plan to attend the **Advance Leadership Training at the 2015 NACo Annual Conference**! The Strength Deployment Inventory (SDI) is a practical and useful self-awareness inventory that increases relationship effectiveness. It is a life inventory based on relationship awareness theory, a validated self-assessment tool that delivers proven business and personal outcomes by decreasing the underlying conflicts that diminish relationships.

*Please see the Registration Form to sign-up for this session. An additional fee is required.*
