JOIN A NACo COMMITTEE AND MAKE A DIFFERENCE
GET INVOLVED!
The two big questions are:
• What committee do you want to join?
• How do you become a member of a committee?

Policy steering committee members are appointed by state associations and serve one-year terms. The Audit Committee is elected by the Board of Directors. Members of all other committees are appointed by the NACo president and serve one-year terms.

Policy steering committees annually review and make recommendations on federal policy issues and legislation. They start the policy development process leading to the development of the American County Platform, which guides the county government message presented to the Administration, Congress, U.S. Courts and the American public.

Standing committees, such as the Membership Committee, Programs and Services Committee, Finance Committee and the Information Technology Committee, make recommendations on programs and projects for NACo to pursue that will help counties.

Other caucuses, task forces & ad hoc committees include:
• Large Urban County Caucus (LUCC)
• Rural Action Caucus (RAC)
• Arts and Culture Commission
• Cybersecurity Task Force
• Healthy Counties Advisory Board
• Immigration Reform Task Force
• International Economic Development Task Force
• Next Generation NACo
• Resilient Counties Advisory Board, and
• Veterans and Military Services Committee

To join standing committees, ad hoc committees, caucuses or other committees, please fill out the online application form at: www.naco.org/presidential_appointments.

To apply to serve as a chair or vice chair of a NACo policy steering committee or subcommittee, please fill out the online application at: www.naco.org/presidential_appointments.

Remember: NACo is you – you are an owner and shareholder in the National Association of Counties. Our association exists because of you and is made up of local leaders like you from across the United States. More than 1,300 county officials currently serve on NACo committees. That is why it is essential for you to become involved on a NACo committee.
