Q: If a county participates in the Prescription Discount program, but not the other programs, what does a county need to do to add the other programs?

A: Counties that wish to add the new Dental Discount and/or Health Discount programs can simply complete the registration form. Counties can check the appropriate boxes for the programs they wish to add and then submit the form to NACo.

Q: If a county has already signed a contract, does a new contract need to be signed?

A: If a county wishes to continue to participate in the program in which it is currently registered, with no changes, then signing a new contract is not necessary.

If a county wishes to initiate the Dental Discount and/or Health Discount programs, the county will need to fill out the registration form and submit it to NACo.

Q: What steps must a county take to receive the \$1 per prescription marketing reimbursement fee?

A: If a county chooses to implement the \$1 per prescription marketing reimbursement fee the county must sign both Rider 1 and Exhibit B and return them to NACo. NACo will return a fully executed copy to the county once it has been signed by all parties.

Q: What does this new contract mean for county residents?

A: The renewed agreement continues the Prescription Discount program that has produced an average of 24%* savings on the price of prescription medications for residents while adding two, low-fee program options for residents, the Dental Discount program and Health Discount program. NACo and CVS/caremark® will continue to provide full marketing support for these programs at no added cost to the county as part of NACo's exclusive membership benefits.

The Live Healthy Discount Program is NOT insurance.
