NACo Next Generation Network

The Next Generation Network will provide a grassroots forum for young county officials to network, become engaged in NACo and develop a new generation of association leaders. The network will identify and serve the unique educational and professional development needs of young officials, and draw on the talent, ideas and expertise of young officials to inform NACo's strategic plan and programs and services for the future.

More info can be seen at <http://www.naco.org/about/leadership/Pages/NextGen.aspx>
