NACo and Public Technology Institute
Technology Summit

Saturday, February 25, 12:15 PM — 5:00 PM | Marriott Wardman Park Hotel | **Room:** Maryland A/B/C

Meeting Agenda

Moderators: Michael Grass, Executive Editor, Route Fifty and Mitch Herckis, Senior Program Director, Route Fifty

12:15 PM – 1:45 PM   **Lunch, Welcome Remarks and Keynote Speaker**

Speaker:

Hon. Joe Briggs, Commissioner, Cascade County, Mont.
Tom Temin, Co-Host, "Federal Drive," Federal News Radio

1:45 PM – 2:00 PM   **Networking Break**

2:00 PM – 2:30 PM   **The LiveWell San Diego Story**
Join us for a fireside chat with Nick Macchione, director, Health & Human Services Agency, County of San Diego, discussing the LiveWell San Diego initiative and why he decided to implement "ConnectWell" to support it. The dialog will also include the improvements being delivered to the community from LiveWell and ideas on nimble approaches to funding similar support systems in your county.

Speakers:

Nick Macchione, Director, Health & Human Services Agency, San Diego County, Calif.
Lisa Mattivi, Vice President and Managing Director, State of Calif., IBM

2:30 PM – 3:30 PM   **Cybersecurity**
Cyber and network security constantly rank as the number one priority for government IT executives – at both the state and the local levels. How can elected leaders and technology professional work together minimize technology risks, improve county employees' cyber hygiene and plan for the future?

Speakers:

Steve Hurst, Director, Security Services & Strategy Global Emerging Services—Security & Advanced Applications, AT&T
Thomas MacLellan, Government Affairs, Symantec

3:30 PM – 5:00 PM   **Smarter Counties**
"Smart Counties" – a vision for successfully accommodating the projected massive growth in the major urban areas and the needs of thriving rural communities. This panel will discuss ways for technologies to work together, focusing on transportation, infrastructure, logistics and telecommunications and mobility. The panel will explore where we stand with key enabling technologies, innovative deployments to date and how counties can begin developing strategies to move toward providing sustainable, efficient and safe service to constituents.

Speakers:

Larry Stipek, GIO Loudon County, Va.
Richard Leadbeater, Global Manager: State Government Industry Solutions, Esri
Christopher Bluemle, Corporate Development & Strategy, Crown Castle
Preston Read, Senior Director for Partnerships and Alliances, Sensity Systems
