Premium Guidance

Individualized Support

Employees receive one-on-one guidance from Savi's student loan experts to navigate complex repayment and forgiveness options.

Digitized Applications

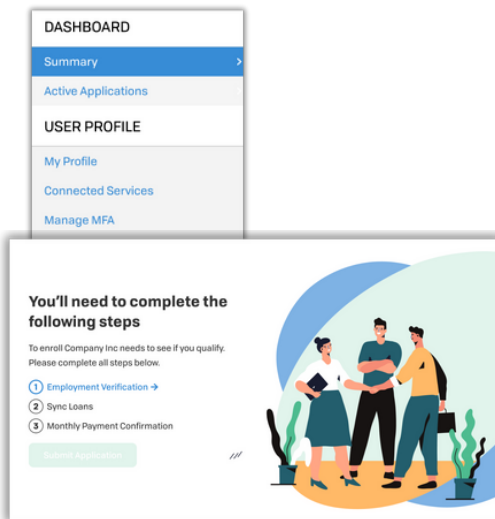

Savi streamlines and submits paperwork for federal income-driven repayment plans and Public Service Loan Forgiveness (PSLF), reducing workload and error risk.

Comprehensive Review

A full evaluation of each borrower's student loan situation to identify the most effective strategies for repayment and long-term savings.

Employer Contribution

Savi makes it easy for employers to offer a high-impact student loan benefit by contributing directly to employees' loan servicers. Savi handles all the processing and coordination—ensuring a seamless experience that supports financial wellness and strengthens retention.

Flexible Program Design

Recurring Contributions – Monthly or quarterly payments toward employee loans
One-Time Rewards – Bonuses for milestones or performance
Targeted Distribution – Direct support to specific employee groups

Retention & Engagement Impact

Student loan contributions are a powerful differentiator in total rewards packages—particularly valued by early- and mid-career professionals. This benefit helps reduce financial stress, increase satisfaction, and improve employee retention.

Secure 2.0 Match Support

Secure 2.0 allows employers to match retirement contributions for employees making student loan payments. Savi streamlines this process by tracking and certifying payments—minimizing manual work and ensuring compliance.

Simplified Payment Certification: Tracks and certifies eligible student loan payments to ensure compliance and accuracy.

Seamless Platform Integration: Connects with payroll and retirement systems to automate contribution matching.

HR & Benefits Team Support: Offloads documentation, tracking, and reporting to reduce administrative burden.

Boosted Retirement Participation: Helps employees earn retirement contributions while managing student debt.

Tuition Reimbursement

Savi streamlines tuition reimbursement programs, making it easier for employers to support employee education and career growth. By automating the verification and approval process, Savi reduces administrative workload, ensuring that employees receive the benefits they deserve while allowing HR teams to focus on other priorities. This seamless integration complements your student loan benefits, providing a holistic solution that supports both current debt management and future educational development—all within a single, easy-to-use platform.

Streamlined Submission & Approval

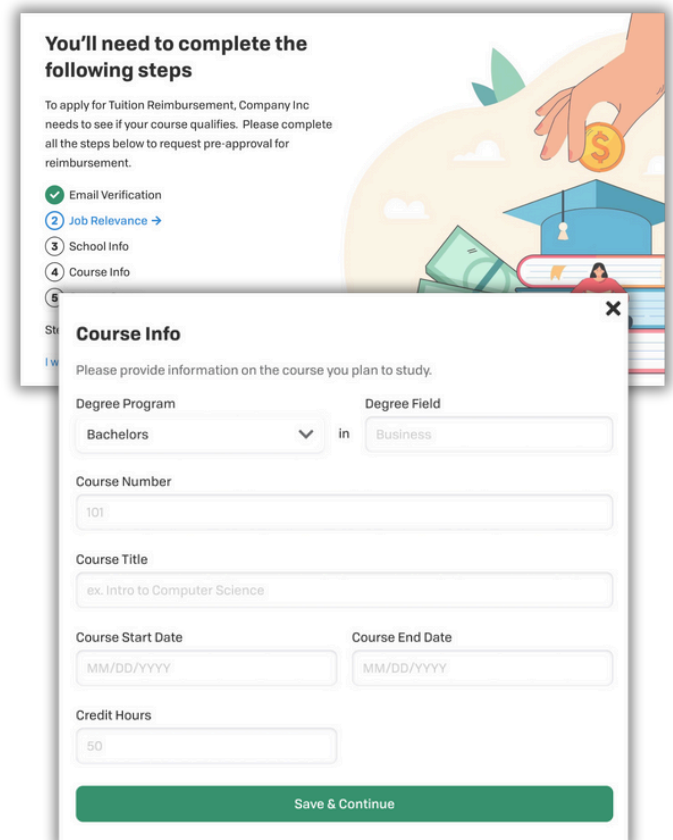

Savi works directly with employees to ensure they follow your program's guidelines, collecting and verifying course details upfront to confirm eligibility. Automated workflows improve accuracy and reduce the administrative workload for your team.

Track Documentation & Eligibility

Centralized tracking makes it easy to manage documentation, monitor employee progress, and confirm program compliance in real time.

Compliance Guaranteed

Savi ensures your tuition reimbursement program runs smoothly and stays aligned with your policies, reducing administrative headaches.
