

NACo Counties Care Twitter Chat Questions

Wednesday, August 29, 2018 from 2pm – 3pm ET

#CountiesCare

NACo's **#CountiesCare** Twitter Chat will showcase how counties have taken innovative pathways to alleviate poverty and increase well-being, particularly in our nation's rural counties, through critical and creative programs and partnerships. To participate in the conversation on August 29, when [@NACoTweets](#) posts each question below(Q1, Q2, etc.), please respond by tweeting your county's stories and resources using the hashtag **#CountiesCare** and the corresponding A1, A2, etc. for each answer.

1. What does poverty look like in your #county?
2. What are your #county's top priorities or goals in working to alleviate poverty and increase well-being?
3. How has your #county worked across sectors or collaborated with new partners to better connect at-risk individuals and families to services?
4. How has your #county used an intergenerational approach to alleviate poverty?
5. What role has data and data-sharing played in your #county's efforts in addressing poverty?
6. What programs or projects has your #county implemented to address hunger and food insecurity?
7. What programs or projects has your #county implemented in workforce training to support pathways to stable employment?
8. How have federal assistance programs such as TANF, SNAP, and Medicaid been able to connect critical support to struggling and at-risk residents in your #county?
