

COUNTY TECH  
XCHANGE

## 2022 NACo TECH XCHANGE SUBSCRIPTION

In late 2019 the NACo County Tech Xchange Network was formed. This program has provided benefits to county IT leaders including creating a discussion group as well as an online portal of technology resources, policy and job description templates.

With the growth of the program and the ability to offer additional county technology resources and educational opportunities, NACo has designed the following subscription offering starting Jan. 2022.

### NACo Tech Xchange Basic

**Free for all County members (application form, renewal option):**

- Email Group Discussion
- Monthly IT Newsletter
- Access to Tech Xchange Corporate Sites

### Cost:

**You must still complete renewal form**
