

With reduced travel across the nation

NACo estimates that **COUNTIES LOST OVER \$1.2 BILLION** in **transportation-related funding and revenue** *in April and May 2020 alone.*

Which represents a **loss of approximately 42 percent** of county transportation-related funding for these two months.

The Federal Highway Administration (FHWA) found that between April 6 and May 10, 2020, **travel decreased** by about **40 percent** on average across all U.S. regions.
