

## With eConnectDirect<sup>®</sup>, YOU'RE IN GOOD COMPANY

More than 125 counties and 375 local governments have already signed up to use our proprietary online platform.

### eConnectDirect<sup>®</sup>

The National Association of Counties (NACo) has partnered with Multi-Bank Securities, Inc. (MBS), endorsing eConnectDirect as an essential tool for members to manage their fixed-income investments needs. This tool gives county treasurers and finance officers visibility to thousands of fixed-income offerings in a market with little transparency. It arms local government investors with the necessary tools and confidence to select offerings within the fixed-income marketplace.
