*EDA does not provide funding to for-profit entities or individuals.*
EDA’s American Rescue Plan Grant Programs
$3 billion in American Rescue Act funding to Invest in America’s Communities

This historic investment will support bottom-up economic development focused on advancing equity, creating good-paying jobs, helping workers to develop in-demand skills, building economic resilience, and accelerating the economic recovery for the industries and communities hit hardest by the coronavirus pandemic.

EDA investments made under the American Rescue Plan will support the Biden-Harris Administration’s commitment to build the American economy back better and stronger.
$3 billion in American Rescue Plan funding to invest in:

**Jobs for Today**
- Travel, Tourism & Outdoor Recreation
- Good Jobs Challenge

**Communities Built for All**
- Economic Adjustment Assistance
- Indigenous Communities
  - Coal Communities Commitment

**Regions for the Future**
- Build Back Better Regional Challenge
- Statewide Planning, Research & Networks
Funding Commitments

EDA’s $300 million Coal Communities Commitment will ensure support for coal communities as they recover from the pandemic and create new jobs and opportunities.

25% of the $3B American Rescue Plan funds are dedicated to communities that suffered economic injury as a result of job and GDP losses in the travel, tourism, or outdoor recreation sectors.

Travel, Tourism, & Outdoor Recreation

$750 million

Accelerate communities impacted by COVID-related travel and tourism decline through block grants to states and competitive grants

**State Grants: $510M**
- Award allocations to each state and territory based on economic development indicators in the leisure and hospitality industries
- Can fund destination marketing, but cannot fund economic diversification projects

**Challenge: $240M**
- Assist communities that suffered economic injury because of job losses in travel, tourism, or outdoor recreation sectors
- EDA prefers projects that directly support the travel, tourism, and outdoor recreation sectors; but will consider diversification projects
- Cannot fund local destination marketing
Good Jobs Challenge
$500 million

Get Americans back to work by establishing or strengthening regional systems to train workers with in-demand skills through employer-driven training models that support participants with wrap-around services and employer commitments to hire.

System Development
Funding to help an organization establish and develop workforce systems and sectoral partnerships.

Program Design
Funding to develop skills training curriculum and materials, secure technical expertise to train workers, and secure employer commitments to hire.

Program Implementation
Funding for non-construction projects to provide workforce training and connect workers with quality jobs, including wrap-around services.
Good Jobs Challenge
$500 million

Get Americans back to work by establishing or strengthening regional systems to train workers with in-demand skills through employer-driven training models that support participants with wrap-around services and employer commitments to hire

- **Beneficiaries**: unemployed or underemployed workers from underserved communities, incumbent workers from underserved communities with opportunity for upskilling and increased wages

- Capital expenses, such as equipment purchase and training facility leases, are permitted. However, construction activities are not allowable; any workforce program that requires construction can and should apply to other NOFOs, such as the Economic Adjustment Assistance NOFO

- Disbursement of funds gated upon successful completion of each phase of workforce program development benchmarks
Economic Adjustment Assistance
$500 million

Invest in infrastructure, technical assistance, planning, and revolving loan programs through competitive grants available to every community

- Most flexible American Rescue Plan program; intended to fund non-construction and construction activities not already part of another Notice of Funding Opportunity (NOFO).

- A wide range of technical, planning, workforce development, entrepreneurship, and public works and infrastructure projects are eligible for funding under this program.

- EDA encourages application submissions based on long-term, regionally oriented, coordinated, and collaborative economic development or redevelopment strategies that foster economic growth and resilience. This includes plans aimed at building stronger regional economic links between urban centers and rural areas.

$200M Coal Communities Commitment
Indigenous Communities
$100 million

Develop projects designed to create the conditions for economic growth in Indigenous communities and to accelerate economic recovery from the pandemic

- Additional $100 million in Economic Adjustment Assistance funds will specifically support Indigenous communities and can be used to fund nontraditional EAA projects, like health centers.

- A wide range of technical, planning, workforce development, entrepreneurship, and public works and infrastructure projects are eligible for funding under this program.

- This competition is open only to Indian Tribes, as defined in EDA’s regulations, nonprofits serving Native Hawaiians, and nonprofits serving Native Pacific Islanders.
Build Back Better Regional Challenge
$1 Billion

Transform economically distressed communities through substantial investment in regional growth clusters

- Proposals should include regional coalitions, industry support, and high-impact projects with a shared vision for a regional growth cluster
- One key coordinating entity per region
- 3-8 projects per regional cluster

Projects can include:
Planning | Infrastructure | Workforce | Entrepreneurship

$100M Coal Communities Commitment
Build Back Better Regional Challenge

Two-Phased Approach

**Phase 1:** 50-60 regions awarded technical assistance grants to help regions prepare for Phase II and mature their clusters

*Total: ~$500,000 per region*

**Phase 2:** 20-30 regions from Phase I regions awarded implementation grants from full project cluster applications

*Total: ~$25-$75M, up to $100M per region*

Phase 1 concept proposal deadline: October 19, 2021

Phase 2 application deadline: March 15, 2022
Statewide Planning, Research, & Networks
$90 million

*Invest in economic plans, research to assess the effectiveness of EDA's programs, and support stakeholder communities around key EDA initiatives*

**Statewide Planning: $59M**

$1 million planning grants to each state and territory

**Example Projects**

- Integrating local and regional plans to develop a Statewide plan
- Developing plans and strategies to participate in other EDA ARPA programs
- Facilitating coordination with Tribes
- Identifying industry clusters
- Statewide skills gap analyses
- Supporting Statewide broadband data collection, mapping, and planning
Invest in economic plans, research to assess the effectiveness of EDA's programs, and support stakeholder communities around key EDA initiatives

Statewide Planning, Research, & Networks
$90 million

Research & Networks: $31M

Research: Fund projects to study the implementation of EDA's American Rescue Plan programs in real time

Networks of Practice: Fund the launch and operations of communities of practice across key groups of EDA stakeholders

Example Projects

Researchers identify trends, emerging issues, and learning as EDA implements programs

- Support existing EDA grantees (UCs, RLFs, EDDs)
- Support new American Rescue Plan program stakeholder cohorts
Thinking Big at EDA

American Rescue Plan programs will address larger projects than before. This gives EDA the opportunity to transform communities across the country.

American Rescue Plan programs will expand EDA’s reach. EDA will engage with and impact more communities and support an equitable recovery.

EDA will help Americans build back better through community-led economic development.
